## How to play

Place this poster on the floor, gather three mugs and position them on the three circles to the right. Decide a distance that your players need to stand away from the game and use a wooden spoon (or similar) to mark the spot. Each player takes it in turn to throw five teabags into the mugs – adding up their score each time. The person with the most points at the end of the game gets the prize!

**Terms & Conditions:** Entry to this prize competition is free; no purchase is necessary. Suggested donation of £2 to enter. The donation is a suggested amount only, and is not required to enter the prize competition. You must be aged 16 years or older and be a resident in the United Kingdom to participate. To enter the prize competition you must write your name on this poster and play in the Teacup Toss. You may only enter once. The winning prize will be as shown on the poster. The prize winner will be the person who has the highest points from the Teacup Toss. The promoter must either publish or make available information that indicates that a valid award took place. To comply with this obligation the promoter will provide the surname of the prize winners to anyone who asks the organiser of the Coffee Morning event at the close date shown on the poster. If you object to your surname and winning entry being made available, please let the promoter know. In such circumstances, the promoter must still provide the information and winning entry to the Advertising Standards Authority on request. 100% of all donations received will be given to Macmillan Cancer Support registered charity in England & Wales (261017), Scotland (SC039907), and the Isle of Man (604).
